

Expertise, Quality, and Dedication to Service

DODUCO GmbH (Pforzheim, Germany), a world leader in the development and manufacturing of electrical contacts and materials, announces that NAECO, LLC is now the official North American business partner for electrical contact materials produced by DODUCO. NAECO (located outside Atlanta, Georgia, USA) will serve the NAFTA region and the Caribbean for DODUCO. North American customers will now have nearby access to service and support, combined with the long-respected technology and diverse world of DODUCO materials.

Decades of expertise now at your doorstep

When we talk about electrical contacts, we speak your language. If you already know NAECO, then you know that we are dedicated to the supply of Electrical Contact Materials and Assemblies. In our 13 years of operations, we have earned an exceptional reputation for our service, our innovative “can-do” attitude and our knowledge of materials and applications.

What can customers expect from this new alliance?

Now you can contact NAECO to purchase true DODUCO Materials and find solutions to your supply challenges:

Need local stock?

NAECO can do.

Need further value-added service?

You now have a local USA supply partner with project managers and Engineers for your assistance.

What about quality?

DODUCO is ISO/TS 16949:2002 (Automotive) and ISO9001:2008 certified. NAECO is AS9100C (Aerospace) and ISO9001:2008 certified, fully ITAR compliant and operates a state-of-the-art Quality Management System.

Need special service, fast?

NAECO has skilled, friendly and dedicated Customer Service Professionals working for you.

Histories of DODUCO and NAECO

- 1922 DODUCO GmbH Established by Dr. Duerrwaechter in Pforzheim, Germany
- By 1980, **over 200 Patents** for Materials and Processes
- 1996 DODUCO purchased by Technitrol (USA) to Form AMI-Doduco, Inc.
*AMI (New Jersey, Export, PA) + DODUCO (Germany, Spain) becomes **AMI-DODUCO (1996 – 2010)***
- 1999 NAECO, LLC established
- 2002 AMI-DODUCO opens China operations
- 2009 NAECO firmly established in Industrial, Residential, Aerospace, and Power T&D markets
- 2010 Technitrol sells US & Mexico operations (former AMI)
***DODUCO** is once again independent, retaining all Intellectual Property and factories in Germany, Spain and China.*
- January, 2012 NAECO and DODUCO form a marketing alliance to better serve Canada, the United States, Mexico and the Caribbean.
